The Bd have agreed to the draft, per those but a suggestion is made that the Bd & the Govt should have the discretion to accept or reject the excuses ~~offered~~ offered by a member for absence at more than three consecutive meetings of the Bd.

The point for orders therefore is whether the suggestion made by the Bd should be accepted.

The Sanitary Board considers that the Governmen may remove a member, not being an ex-officio member if he without sufficient excuse in the opinion of the Board neglects to be present at more than three consecutive meetings of the Board. As it is the Government that ~~is~~ has to remove the member, Government should be in a position to judge whether the excuse is sufficient or not and it would lead to unnecessa friction if Government does not remove a member wit when the Board considers that the excuse is not suff cient.

The rule proposed was based on rule 6 of the Local Board rules issued under Notification 7559/L. 54-18-1, dated 28th December 1918 and was proposed before the new District Boards Regulation was intro duced into the Legislative Council.

I think that the Board should have power to grant leave to the members and that any member who absents himself without leave beyond a prescribed period should automatically cease to be a member. It is unnecessary that for absence, Government should -- remove any member. This is the principle followed both in the Municipal Regulation and in the new -- District Boards Regulation. I would, therefore, propose that the words "is absent for more than 6 consecutive months from the local area over which the Board has authority" in para (i) and the whole para (ii) in sub-rule (1) of the proposed rule be omitted and another rule prescribed as follows

"3.B Any member of the Board not being an ex-offici member, who is absent for more than 4 months
